

2021 NG34Bridge Subscriptions

The NG34Bridge subscription for 2021 is £15, payable by bank transfer. Please give your name as a reference - e.g. *T.Gregory*

Bank: Starling
Account Name: James Gregory
Account Type: Business
Account Number: 59666029
Sort Code: 60 83 71

For Information: This is the new business account for NG34Bridge. I recently moved the account from Lloyds because with their 'free' small business account they only sent out statements every three months, which made it very difficult to keep track of payments from subscribers. With the Starling Business Account I get instant phone notification of transactions and statements.
